SUMMARY

I am Emanuele Baldoni, I am 28 years old, graduated in communication sciences, marketing and digital media with a grade of 110/110 with honors and I am attending a master's program for working students in marketing and management. For 4 years, I worked in the film industry on projects for Rai1 and Rai2 channels, in the role of assistant director. I have many prospects for my future, but the most important thing is that I want to make my passions my job. I love putting myself out there, I love creativity and always discovering new things. I am dedicated to problem solving and trust in teamwork. I am Intrapreneurial, flexible, determined to grow and learn in order to achieve my goals.
